

# THE Shared Humanity PROJECT

We are so excited to share the origin story of The Shared Humanity Project. We are partnering with Public Interest Registry, the operator of the .ORG family of domains, to share the journey of how a mission-driven organization moves from inspiration to action in its new series .ORG Origins.

Filmed throughout the fall of 2021, [.ORG Origins](#) offers a behind-the-scenes look at how a shared idea—eradicating poverty in the United States—grew into The Shared Humanity Project. Over the course of four episodes, it reveals how we connected with the community, overcame challenges, and built a network on our way to becoming a .ORG. In addition, Origins will provide access to tools and resources to support individuals and organizations moved by our story, to begin their own!

Join us beginning September 6th for, [Episode 1, “A Shared Calling”](#) and mark your calendars with the following dates to follow along this fall:

- September 19th - Episode 2 “A Shared Vision”
- October 3rd - Episode 3 “A Shared Approach”
- October 17th - Episode 4 “A Shared Humanity”

We are thrilled to be a part of this can’t-miss series showcasing The Shared Humanity Project’s experiences and excited to share this opportunity to learn about what it means to make a difference in the .ORG Community.

We will keep you posted on social media and our website. Let us know what you think!
